

## Right From The Start

Sometimes I feel like I don't care, I don't care  
The way I see love, love ain't fair, love ain't fair

Simple honesty. you know you heard it all before  
but it was so wrong baby.  
Right from the start, right from the start.

Comes a time in my life  
when nothin's going to get in my way  
Oh I had enough. I'm doing what's right for me,  
what's right for me

It's simple honesty. You know you heard it all before.  
But it was so wrong baby.  
Right from the start, right from the start.

All I want is to be loved.  
I just want to be loved by you baby.  
I see it's got to be easier than this.

Give me love, give me peace  
It's what I want, what I need.  
Send me happiness.  
I'm movin on, I'm movin on

It's simple honesty. You know you heard it all before.  
But it was so wrong baby, so wrong baby.  
Right from the start, right from the start.

One day I know. I'll be loved, I'll be loved.
